

April 2012

Dear Bob -

Thanks so much for  
the professional work!  
Our horse is now  
just a music!

Also wanted to let you  
know that the men  
here doing the  
up-take (forgot the  
names) couldn't have  
been nicer.

I will let you know  
when we need the  
pork unit.
